FIE 2017:

DMK INDUSTRY presents solutions for industry from its three businesses DMK Ingredients, DP Supply and wheyco

Bremen, 23 November 2017. Following the realignment of the DMK GROUP which was launched in the spring of this year, the new Business Unit DMK INDUSTRY introduces itself before the trade public at this year's Food Ingredients Europe. As a partner to the domestic and international manufacturing industry, DMK INDUSTRY will present three businesses: DMK Ingredients, DP Supply and wheyco. Trade visitors can see for themselves at the shared stand 08.0A29 in Hall 8: taking "Passion for healthy ingredients" as its slogan, the Business Unit will display attractive applications.

DMK Ingredients and DP Supply will offer customised health-related solutions in line with the current trend

Entirely in the spirit of the "Passion for healthy ingredients" claim, DMK Ingredients and DP Supply will focus their attention on the current "health" trend. The two specialists will offer customised application solutions, from reduced-sugar and reduced-fat articles to protein-rich and clean label products. Visitors can assess the products' benefits at the stand, where a number of example applications will be showcased.

wheyco presents WPC in instant quality

wheyco's core competence lies in whey protein concentrates for the different sectors of the food manufacturing industry. At FIE, the DMK GROUP's subsidiary will present applications focusing on the confectionery industry and sports nutrition.

Visitors to Food Ingredients Europe in Frankfurt can discover further details of the innovations and services from DMK INDUSTRY and its DMK Ingredients, DP Supply and wheyco businesses in **Hall 8 at Stand 08.0A29**.

About DMK INDUSTRY

The Business Unit DMK INDUSTRY is a partner to large international industry customers. Its DMK Ingredients division and its DP Supply BV and wheyco GmbH subsidiaries produce semi-finished and finished dry and liquid products. The businesses form a perfect complement in both product ranges and expertise. As a result, we not only offer our customers a broad assortment, but also wide-ranging industry know-how. The portfolio encompasses basic ingredients and tailor-made solutions for our customers. The "Made in Germany" promise of quality has the best reputation in the world and stands for sustainable dairy farming, top quality and food safety.

About the DMK GROUP

Being Germany's largest dairy cooperative, the DMK GROUP with around 7.000 employees proceeds milk at 16 sites throughout Germany and at two sites in the Netherlands. A further six sites are available for the manufacture of baby food, ice cream and health products. There is also an administrative facility in Bremen. With brands such as MILRAM, Osterland, Oldenburger, Rose, Dutch Original Cheese, Humana, Casarelli, intact, sanotact, hansal and NORMI, the DMK GROUP is an established name for retailers and consumers in Germany and all over the world. With a turnover of 5.1 billion euros, the DMK GROUP is also one of the leaders of the European dairy industry.
